INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Stockholders
Sterling Grace Municipal Securities Corporation
100 Summerhill Road
Spotswood, NJ 08884

We have audited the accompanying balance sheet of Sterling Grace Municipal Securities Corporation as at November 30, 2005, and the related statements of income, cash flows, changes in stockholders' equity and changes in liabilities subordinated to claims of general creditors for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sterling Grace Municipal Securities Corporation as at November 30, 2005, and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules 1, 2, 3, 4 and 5 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

STERLING GRACE MUNICIPAL SECURITIES CORPORATION
NOTES TO FINANCIAL STATEMENT
NOVEMBER 30, 2005

Note 1 - Summary of Significant Accounting Policies:

Organization

The Company is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the National Association of Securities Dealers ("NASD") and the Municipal Securities Rulemaking Board ("MSRB") and the Securities Investor Protection Corporation ("SIPC").

As at November 30, 2005, the Company was in compliance with all minimum net capital requirements.

Securities Transactions

Securities transactions are recorded on a settlement date basis.

Property and Equipment

Property and equipment are stated at cost. Depreciation is provided on both the straight-line and accelerated methods over the estimated useful lives of the related assets. The cost of major renewals or betterments that extend the useful lives of the property and equipment are capitalized as assets. General repairs and maintenance are charged to income when incurred.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 - Officer Loan Payable

The officer of Sterling Grace, Mark Doyle, advanced the company \$200,000 bearing interest at 8% per annum. Interest is paid annually.

STERLING GRACE MUNICIPAL SECURITIES CORPORATION
NOTES TO FINANCIAL STATEMENT
NOVEMBER 30, 2005

Note 3 - Due to Clearing Organization

The payable to the clearing organization is for firm transactions and is collateralized by firm securities. Interest is at a rate that is 100 basis points below the customer margin rate.

Note 4 - Profit Sharing Plan

The company sponsors a defined contribution profit sharing plan covering all full-time employees who have two years of service and are age 21 or older. Contributions to the plan are determined each year by the board of directors. Profit sharing plan expense for the year ending November 30, 2005 was \$0.

Note 5 - Commitments

The Company entered into an 24 month noncancellable operating office lease effective March, 2004, at a monthly rental of \$3,915. The rent will be increased on a yearly basis based on the Consumer Price Index. The future minimum rent payments required under such non-cancellable operating lease as at November 30, 2005 is as follows:

<u>Year Ending</u> <u>November 30,</u>	<u>Amount</u>
2006	\$ <u>12,075</u>
Total minimum payments required	\$ <u>12,075</u>

Note 6 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c 3-1 of the Securities and Exchange Commission, the Company is required to maintain a minimum net capital balance. Net capital and the related net capital ratio may fluctuate on a daily basis. At November 30, 2005, the Company has net capital of \$3,272,289, which was \$3,172,289 in excess of its minimum dollar net capital requirement of \$100,000.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
REQUIRED BY SEC RULE 17A-5 FOR A BROKER-DEALER
CLAIMING AN EXEMPTION FROM SEC RULE 15C-3-3

Board of Directors
Sterling Grace Municipal Securities Corporation
100 Summerhill Road
Spotswood, NJ 08884

In planning and performing our audit of the financial statements of Sterling Grace Municipal Securities Corporation for the year ended November 30, 2005, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by rule 17A-5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17A-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17A-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15C-3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in making quarterly securities examinations.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use

or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17A-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at November 30, 2005, to meet the SEC's objectives.

This report is intended solely for the use of management, the SEC and other regulatory agencies which rely on Rule 17A-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers and should not be used for any other purpose.
